

# ORIGAMI DOG

1

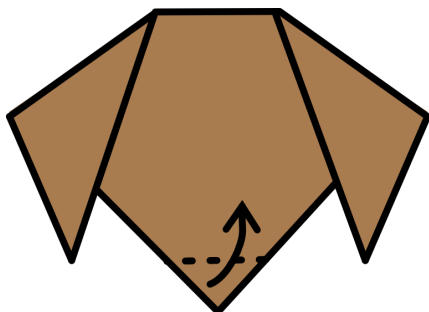

Bring the **TOP CORNER** to the **BOTTOM CORNER** and fold so the **EDGES** touch.

2

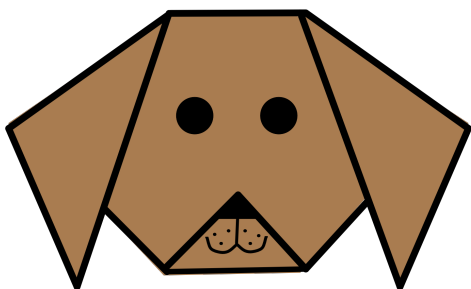

Fold the **TOP** two **CORNERS DOWN** to make the dog's ears.

3

Make the nose by folding the **BOTTOM CORNER UP**.

4

Finish your dog by drawing the eyes and the nose!

TALK TIP

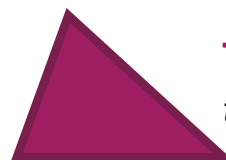

## SHAPES

What shapes can you find?

**SQUARE:**

*four equal sides and four corners*

**TRIANGLE:**

*three sides*

How are **TRIANGLES** and **SQUARES** different?
